Arizona Wet Winter Prep

Small steps. Practical preparation. Keep this page where you can find it.

FREE STEPS YOU CAN DO TODAY

- ☐ Look up your address on FEMA flood maps to learn your risk.
- ☐ Turn on phone weather alerts; follow county office and local news.
- ☐ Clean gutters, downspouts, and yard drains to move water away.
- ☐ Make a family plan: meeting spot, go-bag duties, phone numbers, pets.

INSURANCE & SUPPLIES TO GATHER

- ☐ Call your agent and ask what flood coverage you have today.
- ☐ Stock 3 days of water, food, and medicine for all people and pets.
- ☐ Keep flashlights, batteries, and a weather radio easy to find.
- ☐ Stage door barriers and a utility pump before the rain arrives.

SAFETY NOTE A new flood policy often takes about 30 days to start, so call your agent now. Do not rely on one alert source alone.
