

Car Emergency Kit

Small steps. Practical preparation. Keep this page where you can find it.

ROADSIDE ESSENTIALS

- ☐ Pack a flashlight, charged power bank, contacts and first aid supplies.
- ☐ Carry water, shelf-stable snacks and seasonal clothing.
- ☐ Check spare-tire or repair equipment and learn your vehicle's procedure.
- ☐ Pack reflective warning equipment and roadside-assistance details.

MAKE IT FIT YOUR HOUSEHOLD

- ☐ Include needed medicines, accessibility supplies and pet items.
- ☐ Store equipment securely so it cannot become a projectile.
- ☐ Inspect batteries, water containers and supplies after extreme temperatures.
- ☐ Review the kit before long journeys and weather changes.

SAFETY NOTE If stranded, prioritize a safe location and professional help. Never attempt roadside repairs in moving traffic.
