

Family Emergency Plan

Small steps. Practical preparation. Keep this page where you can find it.

MAKE DECISIONS TOGETHER

- ☐ Choose meeting places near home and outside your neighborhood.
- ☐ Choose an out-of-area contact; give everyone a paper contact card.
- ☐ Identify evacuation routes and transport for every household member.
- ☐ Plan for pets, medications, mobility and communication needs.

PUT THE PLAN INTO PRACTICE

- ☐ Learn school, workplace and care-provider reunification procedures.
- ☐ Keep essential documents protected and accessible.
- ☐ Enroll in local alerts and identify official information sources.
- ☐ Practice the plan and review it when household needs change.

SAFETY NOTE Follow local emergency instructions. Your safest action depends on the hazard, not a single rule for every event.
