Brevard County Flood Action Plan

Small steps. Practical preparation. Keep this page where you can find it.

PREPARE BEFORE THE WATER RISES

- ☐ Find out if your home sits in a flood or storm surge zone.
- ☐ Sign up for free county emergency alerts by text, call, or email.
- ☐ Pack a go-bag with water, food, first aid, medicine, and papers.
- ☐ Keep at least 72 hours of water and supplies per person.

ACT WHEN A FLOOD THREATENS

- ☐ Leave early if local officials issue an evacuation order.
- ☐ Charge and test a battery, crank, or solar weather radio now.
- ☐ Pick a family meeting spot and a safe place to go.
- ☐ Agree on how to reach each other if phones go down.

SAFETY NOTE Never walk or drive into floodwater. You cannot judge how deep it is or how fast it moves. Turn around and find another route.
