Four Corners Flood: Household Action Plan

Small steps. Practical preparation. Keep this page where you can find it.

ACT NOW: ALERTS & EVACUATION

- ☐ Check if your area is under a flood watch, warning, or evacuation order.
- ☐ Listen to local radio and your phone's emergency alerts for updates.
- ☐ If told to evacuate, leave now; never drive across a flooded road.
- ☐ Pick a safe destination, a backup route, and one out-of-area contact.

BEFORE YOU LEAVE: PREP & PROTECT

- ☐ Grab your go-bag; add medicines, chargers, cash, and spare clothes.
- ☐ Charge all phones and power banks while the grid is still up.
- ☐ Bag IDs, insurance, and birth certificates; photo them and move high.
- ☐ Ready pets with leashes, carriers, food, water, meds, and a photo.

SAFETY NOTE Never drive across a flooded road—turn around. Floodwater can be deeper than it looks and may carry sewage. Only shut off power at the breaker if you can reach it without standing in water.
