Tropical Storm Nolo Prep

Small steps. Practical preparation. Keep this page where you can find it.

STOCK UP AND STORE WATER

- ☐ Check if you live in an evacuation zone and plan to leave early if ordered.
- ☐ Fill bathtub bladders, jugs, pots, and clean bottles with water now.
- ☐ Stock 14 days of no-cook food, medications, and essential items.
- ☐ Refill prescriptions now and add hand sanitizer and face masks.

SECURE HOME AND STAY READY

- ☐ Clear debris from drains, bring in loose items, and secure windows and doors.
- ☐ Seal ID, insurance, and key papers in a waterproof bag by the door.
- ☐ Pack a go-bag and set battery lanterns with fresh batteries in each room.
- ☐ Charge phones and power banks, check on neighbors, and follow official updates.

SAFETY NOTE Leave early if an evacuation order comes; do not wait for roads to fill. Heavy rain could cause life-threatening flooding.
