

Hurricane Action Plan

Small steps. Practical preparation. Keep this page where you can find it.

BEFORE THE SEASON

- ☐ Know your evacuation zone and choose inland destinations.
- ☐ Plan transport and lodging that can accommodate pets and accessibility needs.
- ☐ Review insurance, document possessions and prepare emergency supplies.
- ☐ Enroll in alerts and learn the difference between watches and warnings.

WHEN A STORM APPROACHES

- ☐ Secure loose outdoor items while it is safe.
- ☐ Charge devices and follow local evacuation instructions early.
- ☐ Stay away from floodwater and storm surge areas.
- ☐ Return only when authorized; avoid damaged utilities and structures.

SAFETY NOTE Do not wait to see storm surge before evacuating. Conditions can make escape impossible.
