Invest 93L Florida Prep

Small steps. Practical preparation. Keep this page where you can find it.

GET READY OUTSIDE & SUPPLIES

- ☐ Check latest forecast and know your evacuation zone via local officials and NHC.
- ☐ Bring in loose items: chairs, trash cans, plants, toys; clear drains and gutters.
- ☐ Fill your car's gas tank now and store any generator fuel in approved containers.
- ☐ Refill low medications and keep them in a dry, waterproof bag with a family list.

POWER, KIT & FINAL SWEEP

- ☐ Charge phones, power banks, flashlights, and any power station to full now.
- ☐ Assemble a 72-hour kit: water, food, first aid, flashlight, batteries; check dates.
- ☐ Move valuables and papers to high spots in waterproof bags or bins.
- ☐ Fill clean containers with drinking water, share your plan, stay indoors from windows.

SAFETY NOTE Store fuel away from heat, sparks, and children; never siphon gas by mouth and let engines cool before refueling. Never drive through moving or flooded water.
