Wildfire Household Readiness

Small steps. Practical preparation. Keep this page where you can find it.

PREPARE BEFORE AN ORDER COMES

- ☐ Sign up for county alerts and turn on Wireless Emergency Alerts on your phone.
- ☐ Follow Cal Fire and your local fire department for fire and air quality updates.
- ☐ Map at least two evacuation routes and make sure every adult knows both.
- ☐ Pack a go bag per person: 3-day food/water, meds, cash, keys, route map, N95s.

READY YOUR HOME AND CAR

- ☐ Keep your gas tank at least half full and park facing out for a fast exit.
- ☐ Clear dry leaves and brush, and move firewood and patio furniture from walls.
- ☐ Close all windows and vents, and keep a hose ready with water nearby.
- ☐ When told to evacuate, leave now with go bags, pets, phone, and keys.

SAFETY NOTE Store extra fuel only in approved containers, never in living space, and away from heat, flames, and children.
